2.6.2 Attainment of program outcomes, program specific outcomes and course outcomes are evaluated by the institution

Response:

- Evaluation mechanism in the college is well planned and it consist external & evaluation Internalevaluation.
- Home assignments for all subject are mandatory. Yearly four assignments are compulsory.
- First term examination is conducted in first session. 50% of the course content is covered in this examination.
- Second term examination is conducted in the second session where 100% course content is covered. Examination pattern and evaluation is same as previous.
- In practical subjects Home Economic, FD, Music assessment of project work, practical work is done. Internal marks are given for the practical related work
- In commerce faculty viva voce exists. Faculty members conduct viva and assess the students unit tests are conducted by the faculty members after completing each unit. The question set consist of short and brief questions.
- The performance in unit tests, term examinations, project files, home assignments is discussed and measures are taken to by the faculty to improve upon performances through extra coaching and counseling. At external level the evaluation is done by the university, both of semester and annual pattern. The examination committee of the college after the declaration of university results, analyses results (class wise/ subject wise) and submits the same to Principal / Management

for further action.

- Owing to the dedicated efforts of the faculty, internal assessment mechanism the institute has been consistently coming with good results and university ranks. During the year 2012-13 our student stood 4th Merit in Hindi and won gold medal, in the year 2013 our student won gold medal in MA Economics. In 2015 our student stood 4th Merit in MA Hindi and our BCCA student stood 9th Merit.
- Thus our students have brought laurels by winning university gold medals and prizes for their outstanding performances. The results of all the faculty of our institution are commendable.
