FOREWORD

The University Grants Commission (UGC), an apex Body of Higher Education, established under the act of the Parliament in 1956, is entrusted with the tasks of coordination, determination and maintenance of standards of university education in India, Periodically compiles and disseminates statistical information on various parameters of Higher Education. The present publication contains useful information on Teaching Departments in Indian Universities.

I am sure this will be a handy and important input not only for Indian education policy purpose but also for Students, Parliament and the Parliamentarians, Government Bodies/Institutions, Right to Information, other higher education related agencies and organizations etc.. This Directory will be of immense use and will serve as a ready reference for identifying some particular subject or seek some courses offered in a particular university.

I trust the users will find this publication quite useful as it would provide them information pertaining to growth and trends of Teaching Departments in Indian Universities of higher education in India.

I take this opportunity to express my sincere thanks to the Heads of all the Institutions for their timely cooperation in providing the desired data without which it would not have been possible for us to bring out this publication.

I would also like to place on record my appreciation to all the team members who have worked in the Information & Statistics Bureau for compiling the data.

(Ved Prakash)

Introduction

The Information & Statistics Bureau of the University Grants Commission has brought out publication entitled "University Development in India – Directory of Teaching Departments in Universities/PG Centers/Constituent Colleges-Faculty wise as on 01-01-2015".

The task of such publication is to ensure to promote future planning so as to access and determination of higher educational information for the academic community, universities/ institutions, students & their parents, Parliament and the Parliamentarians, Government Bodies/ Institutions, Right to information, other higher education related agencies and organizations etc. This Directory will be of immense use and will serve as a ready reference for identifying some particular subject or to seek some courses offered in a particular faculty.

This Directory contains the information in respect of Teaching Departments of Universities/ Institution of higher Education. The Data pertains to the year 2014-2015(i.e. as on 01-01-2015) that contains 721(96.65%) Universities/Universities level Institutions out of 746 Universities/Universities level Institutions existing at that time. A list of these 721 Universities with their addresses for which information have been included in the directory is placed at Annexure-I.

The Directory contains detailed information about Teaching Departments in respect of i) University Campuses ii) Post Graduate Centers and iii) Constituent Colleges. The Data has been arranged faculty cum subject-wise and then State cum University wise. Against each Department its year of Establishment, courses offered/Degree awarded by that particular Department in the order Graduate, Postgraduate, M.Phil, Ph.D, Diploma and Certificate level as the case may be applicable is indicated individually. The information has broadly been provided under 15 faculty groups namely Arts, Oriental Learning, Science, Home Science, Computer Application, Computer Science, Commerce, Managements, Education (TT), Engineering/Technology, Medicine, Agriculture, Veterinary Science, Law and Others (Includes Fine Arts/Performing Arts, Music, Visual Arts, Library and Information Science, Journalism and Mass Communication, Physical Education/ Sports/Yoga, Travel/Tourism, Social Work/Social Welfare etc.

This Publication entitled "University Development in India –– Directory of Teaching Departments in Universities/PG Centers /Constituent Colleges – Faculty wise for the year 2006-07 & 2011-12 have been brought out earlier by the Bureau and cleared by the UGC Authority. Now, the present and up-to-date publication on the same titled "University Development in India – Directory of Teaching Departments in Universities/PG Centers/Constituent Colleges-Faculty wise as on 01-01-2015" in a similar pattern of earlier publication has been brought out.

The undersigned has taken the opportunity to communicate through a very brief introduction about the publication. It may be noted that this publication is a continuation of the earlier publication on similar title for the year 2006-07 and 2011-12. With the contributions of the Project working staff, the Information & Statistics Bureau is now in a position to declare that this publication, may acclaim somewhat better position with ready references and information in the area.

The appreciation of bringing out this Publication - Directory of Teaching Departments in Universities/PG Centers/Constituent Colleges-Faculty wise as on 01-01-2015 goes to the project working group of IS-V Unit of Information and Statistics Bureau. Heartiest thanks are extended to all the Universities/ University level Instituions for supplying the data and information as the prime source and to all those contributing in various ways. Special thanks are communicated to the UGC Authority who has helped in bring out this publication.

Advice /Suggestion for improvement are most welcome to update the next version of this Directory.
